PRESIDENT'S MESSAGE

January 2010
Presidents Message

Happy New Year! The beginning of a new year brings opportunity for fresh starts, a clean slate (or palette), and a time to make new resolutions and set goals for the year.

The fresh start for MVAL is a new meeting location. Beginning this month, we will be meeting at Church of the Good Shepherd in Arcadia at, 400 West Duarte Road. The new location is about a mile west of our previous meeting location. The move will save MVAL \$2,000 a year!

MVAL will be introducing a 'new look' throughout the year. The first application you will see is on the recently produced MVAL brochure. Congratulations to the Visioning Committee for identifying and addressing this need. Brochures will be available at the general meetings as well as at other MVAL events.

So, now is the time to set goals to have paintings in the MVAL Annual Show in spring and to make arrangements to attend the May workshop featuring Dale Laitinen.

Wishing you a productive New Year.

Mark Wood
President

JANUARY DEMO

Special Event - Daryl Bryant, JoAnn Formia, Angela Hernandez, Fealing Lin and Nancy Shiershke

Because we have a New Year and a New Meeting Place, we are celebrating by having a special event.

We will be visited by 5 of our members who will be doing a demo at the same time. Each will be doing her take on a still life. You will be able to walk around and watch, talk to the artist's and ask questions. WE are honored to have these ladies donate their time and skills to Mid-Valley.

They are Daryl Bryant, JoAnn Formia, Angela Hernandez, Fealing Lin and Nancy Shiershke (sorry fellows, we we'll get you next time).

This will be a learning experience and a fun time for us all. It will be interesting to see the different approaches and techniques applied to the same subject.

We are planning a wonderful year with interesting demos and demonstrators to help you on your adventure into painting.

ART OF THE MONTH

To make the monthly showing of your work at our meetings we need more than four artist bring in a painting.

There is a assign theme but not necessarily required to be followed. So with that in mind the title for this month will be " My Favorite Plein Air Painting".

ABOUT THE COVER

I Took a group of women artists up to Big Bear for a 3 day paint-out late in October.

We found out what it is like to paint-out in 29-30 degree weather. Ouch! Your fingers are the first to give up the fight. Even with hand warmers it wasn't easy. But the rewards were worth it!

I am sad to report that I have received an email from International Artist Magazine informing me that due to the economy they are ending the "win a subscription" program.

I sent them a reply thanking them on behalf of Mid Valley Arts League. I told them how much our members have enjoyed the drawings and the magazine.

DALE LAITINEN WORKSHOP - May 27-29

In May we will have a 3 day workshop with Dale Laitinen. These are always popular! There will be more info in next month's newsletter.

Susan Gutschow
Workshop Chairman

Dale Laitinen has been painting for over forty years with thirty five of those in watercolor. He is a signature member of the National Watercolor Society, and Watercolor West. He is a graduate of Modesto Junior College and San Jose State University with a BA in Art with a painting concentration. He is a past juror of many National and regional exhibitions including Watercolor West, Kentucky Watercolor Society, Utah Watercolor Society, Watercolor Society of Oregon, Red River Watermedia Show, Magnum Opus and many others.

A native of northern Minnesota, Dale has lived, moved, and traveled across the American West and this figures prominently in his work.

One of the signatures of a Laitinen painting is the long view with the natural forms of the topography being foremost. His works extend to the interaction between structures such as roads, dams, canals, powerhouses, and the natural landscape. In one of these paintings one might find a concrete dam that spans a river canyon, or a highway that cuts through desert sandstone, or a shadow of a bridge that crawls slowly across a red rock wall.

After college Dale spent eight years as an independent trucker hauling freight across country. In 1985 he turned to painting full-time.

Some of the periodicals he has been featured in, The Artist's Magazine, Watercolor Magic, Watercolor Magazine, and Drawingboard Magazine.

Laitinen's work has been featured in several books including The Splash Series, Painting with the White of your Paper, The The Transparent Watercolor Wheel and more. An active workshop instructor, Dale has traveled widely in both the US and Abroad.

Newsletter via E-mail

GO GREEN!

We are working on reducing our monthly expensed for MVAL.

If you have email and would like to receive your Newsletter in your email?

The advantage of an emailed newsletter are:

- 1- Reduction in printing and mailing costs.
- 2- We will be able to have paintings and photographs in COLOR.
- 3- No limit to size of newsletter, so hopefully emailed version will include images that will not appear in the printed version.
- 4- You can archive the newsletters on your hard drive and never misplace a newsletter again!
- 5- You will be doing something good for the environment!

We hope to start sending email newsletters at the beginning of the new year.

If you want to be on the list - email Richard Gutschow

RICH2000@aol.

Newsletter Changes

You will notice some changes in the newsletter this month.

First thing is a new logo and banner design....

Second is change in the type font used.

Third is - more images! If you are receiving this via email.... you will have these images in COLOR!!!!

As we get further into the year and have more info - the print version may not have the images at all. We need to keep the printed version to 10 pages or less so that it can be sent with one stamp. The email version has no restraints on length.

Knowing that color images can be used.... you are encouraged to send them!

MVAL Visioning Committee is working on a unified and updated look to all of our publications.

This is a work in progress... especially where the newsletter is concerned. I will probably try a few things over the next few months.

You are welcome to respond with comments!

Bonus E-mail Page

Lynne Fearman provided a colored image and a black and white image for the cover this month. I didn't think the people receiving emailed newsletters should miss her cute dog sketch!

Brenda Swenson challenged our paint-out group do a drawing/sketch a day for 72 days.

I took on the challenge by drawing every dog breed in my encyclopedia of dogs, starting with airedales and going through to Yorkshire Terrier. I've found it necessary to skip a few strange breeds and pick only one of the dozen or so retrievers. I've accomplished the assignment, but I'm not even through to the M's yet! This has greatly improved my drawing skills by drawing every day.
