Newsletter for the Mid-Valley Arts League

Demonstration by Victor Riesau

“IMPACT” MVAL Group Show Winners

PRESIDENT'S MESSAGE

We have run the good race and many generous volunteers have contributed to a wonderful year of promoting art for our members and the community; this is what we are about.

Saturday in the Park went very well and we concluded in the black ink. A big thank you to Maranatha High School who donated signage, tables, easy-up cover, student helpers, etc. Next year, SITP will be held on May 21st. Thanks to Mark Wood and his many helpers. **Chris Van Winkle** gave us a Demonstration of his art and shared his good-dry Canadian humor in April and **Victor Riesau**, noted artist will conduct a video demonstration in May. The Scholarship Committee has worked very hard to find awardees. There are about 15 donated paintings for the June Raffle and there will also be a silent auction of a Milford Zornes painting. This event is a win/win event; it is all about giving and sharing our good fortune. The 2015-16 Slate of Officers is all set; the May general meeting will vote on the new officers...see you there. The new officers will bring their talents and continue a wonderful tradition, which began in 1956.

Ike Ikeda said the **dues** are coming in just fine, so keep those cards and letters (envelopes) coming into him. As an ex-structural engineer, he still likes to count numbers. **Impact**, the exhibition, is just beyond words and a big thank you to CCMA for being wonderful hosts at an increasingly respectable art museum. There is still time to go see a wonderful exhibition and what a great opportunity for purchasing good art. Put June 12th on the calendar, as the Pick-Up date for your art. Our new exhibition chair Flora Johnson has chosen "Art and Soul" as the name for our 63rd art exhibition in 2016. That is Mid-Valley, Art with Soul!

The Finance Committee now has an approved budget for 2015-16 and a Financial Reserve for emergencies; it is so very good not to have deficit spending. Thank you Jan Wright and friends. Announcements are plentiful this month with our active group. Thursday Paint Outs - Plein Air continues to learn and be challenged by wonderful painting sites and the joy of living in Southern California. Crit Night still meets on the second Wednesday, check with Mark Wood.

Lastly, we save the best for last, do sign up for the June Banquet (a party, I do not like the name banquet, that is for a Black Tie event). Anyway, come and celebrate a good race. You are all winners in my book.

Armando Ruiz
President

MAY DEMONSTRATION

VICTOR RIESAU

A prolific and accomplished painter and sculptor, Vic Riesau's art draws on many subjects and themes and has been widely exhibited and collected. Dramatic interpretations of subject and elegant use of space are hallmarks of his work. An abiding interest and an artistic passion for the beauty of the natural world fuel the creative instincts of Vic Riesau.

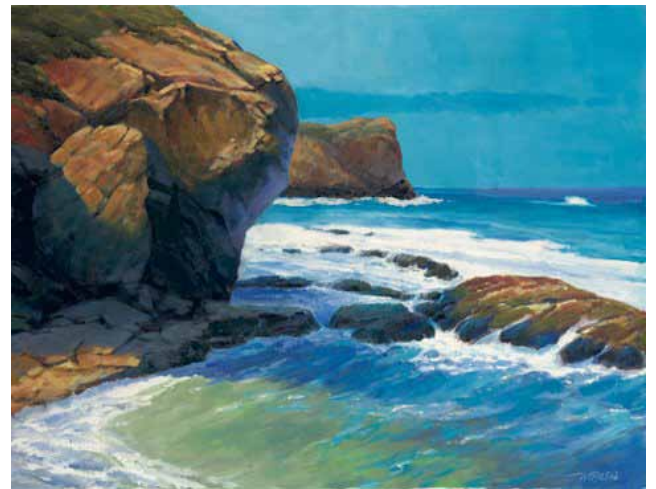

Vic has spent many summers packing in to the eastern High Sierras previously frequented by the early California painters such as Edgar Payne and others. His paintings portray the skillful use of light and shadow that are the trademark of work done in the plein-aire tradition.

After focusing primarily on a successful thirty year career as a sculptor of both limited edition and monumental bronzes, Vic recently returned to the easel. An avid plein-aire painter as well as an accomplished studio painter he finds endless inspiration in the dramatic and varied landscapes of the Southwest, the Pacific coastline and the mountains of the High Sierras.

As a sculptor he enjoys a national reputation and has participated in many invitational sculpture exhibitions. His monumental bronzes are permanently installed in many public, corporate, and private collections including the California State Capitol, several counties, cities, Point Loma University in San Diego, and at the Academy of Television Arts and Sciences Hall of Fame. He was recently commissioned to sculpt sixteen portrait bronzes of Olympic Hall of Fame members and other sports dignitaries for Pasadena City College. His bronzes are included in the collections of the Autry Museum of Western Heritage, the California Emigrant Museum and the Camigie Art Museum

Vic was a founding artist member and a participant in the highly successful Masters of the American West exhibition at the Autry National Center. He is a signature member as both a painter and sculptor with the prestigious California Art Club and serves on its Board of Directors.

Ratindra Das Workshop

With an Eye for Design in Watercolor

July 8-10, 2015

The focus of this workshop is on designing a painting. It will be based on concept and imagination. A well designed painting does not happen by accident. It's a deliberate effort by the artist in representational as well as in non-objective painting. Personal vision in a painting is both analytical and intuitive. Outline or a set

of guidelines are just that! These are not all inclusive. There are limitless possibilities when it comes to an eye for design in watercolor.
