

# Fealing Lin Online Workshop

## Transparent Watercolor Portraiture & Figure

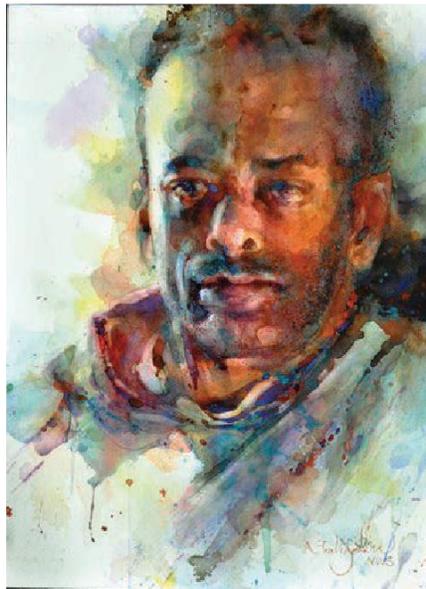

Although portrait painting can be very intimidating, Fealing teaches you on how to relax and enjoy the process as you discover the spontaneity and uniqueness of watercolor. You will learn to capture the quality of light and achieve a level of transparency with your images. You will develop an understanding of head structure that gives you the confidence to take on even the most challenging portraits.

An award winning watercolorist, Fealing combines semi-abstract strokes and impressionistic concepts to elicit life and movement in her portrait and figure paintings.

Fealing will assist and critique student's works, and allow the students to work on their own pace. During this workshop, you learn how value and temperature change, as well as how to use transparent glazing to allow the glow of the paper to shine through. By balancing colors and weaving lights and darks, you will achieve painterly and successful paintings. She will spend time in the workshop discussing the value and essentials of a good drawing.

There will be daily lecture, demo and exercises.

An "Intro to Zoom" session will be scheduled one week prior to the workshop
