

# Fealing Lin Workshop

## Transparent Watercolor Portraiture & Figure

Although portrait painting can be very intimidating, Fealing will teach you how to relax and enjoy the process as you discover the spontaneity and uniqueness to watercolor. You will learn how to capture the quality of light. You will achieve a level of transparency with your images and develop an understanding of head architecture that will give you the confidence to take on even the most challenging portraits. Award winning watercolorist, Fealing combines semi-abstract strokes and impressionistic concepts to elicit life and movement in her portrait and figure paintings.

There will be daily lecture, demo and exercises.

Fealing will assist and critique student's works, and allow the students to work on their own pace. During this workshop, learn how value and temperature change, as well as how to use transparent glazing to allow the glow of the paper to shine through. By balancing colors and weaving lights and darks, you will achieve painterly and successful paintings. She will spend time in the workshop discussing the value and essentials of a good drawing, although the focus will be on painting.

"I live for art" says Fealing. "The challenge of each process for every painting keeps me humble, so I can continuously be inspired by all the beauties in this world".
