PRESIDENT'S MESSAGE

President's Message May

What a busy month for May! Many of our members went to Manzanar to participate in the annual paint-out in the desert. Our own, JoAnn Formia was one of the demonstrators.

I hope they had a wonderful time. I can't wait to see the fruits of their labors.

I've been through the fires in Sierra Madre, We lost close to two acres, but saved the house and studio, so I am blessed!

Our Anniversary show should be in full swing by the time this newsletter comes out, so please support the artists who are sitting the show, by encouraging your friends to go out and see it! I'm looking forward to the masterpieces you all have produced this last year.

On May 31st will be "Arts in the Park With the Masters", in the morning, followed by our awards reception at 3:00 at the Soho gallery in Pomona. Because the two events are so close to each other, it shouldn't be too difficult to combine the two for a wonderful day of art!

June 2nd is the deadline for our installation banquet. It's a wonderful time to celebrate the achievements of the members who have been on the board, and introduce those who will be continuing to serve on the board in the coming year. We encourage everyone to join us for great food, good fellowship. Get your reservations in to Karen carter before June 2nd and come celebrate with us!

Paint with Passion!

MAY PROGRAM

FRANK LENNARTZ

Having backpacked the High Sierras and sailed the Pacific Coast under the light of the moon - Frank's passion for the outdoors seems never-ending. It's no wonder that painting 'en plein air' is his favorite pastime and the California landscapes his favorite art studio. Says Frank: "A kaleidoscope of colors and shadows, the sounds of rustling leaves, a babbling brook, pounding surf, or the scent of sage are all what arouse my senses and imbue my paintings." Drama, tranquility and soul are frequently used to describe the sensations you'll feel when viewing his artwork so take this opportunity to arouse your senses while watching Frank create a masterful oil painting. Oh yes, Frank's painting will be raffled off to the lucky winner. Don't miss it!

Frank Lennartz, Plein Air & Studio Painter

Frank Lennartz grew up in the foothills of La Crescenta, CA where the special light conditions and atmospheric perspectives have inspired many early California impressionist artists. Encouraged to pursue a professional career in the sciences, Frank received his Masters degree from USC and concentrated on a consulting career in Occupational Safety & Health working with many interesting clients including, fortuitously, the Art Center College of Design.

Drawn by his love for art and painting he became his artist mother's very first art student and it was in her class that he met his wife, Linda. With additional training and direction provided by contemporary southwest impressionist artists Ted Goerschner and Kevin Macpherson, Frank pursued his own art career developing a personalized style of capturing light and color on canvas. Out of his fervent interest in working with other aspiring artists, he now teaches his painting techniques through his annual oil painting workshops.

Frank has sold his paintings to many collectors at all of the California Art Club's special art events including the annual Gold Medal Juried Exhibition, the renowned Mission San Juan Capistrano Plein Air Painting Events, the Eaton Canyon and Arroyo Paintouts & Exhibitions, and from the club's own fine art gallery at the historic Old Mill in Pasadena. He was also the recipient of the prestigious 'Director's Choice Award' presented by the Carnegie Art Museum in California where the painting is now a part of their permanent collection. More recently, his paintings have been accepted into the Oil Painters of America's prestigious National & Regional Juried Exhibition of Traditional Oils and the California Art Club's juried Gold Medal Exhibition.

Frank and his artist wife Linda DuPas are both 'Artist Members' of the California Art Club and

SCHOLARSHIP NEWS

The time is here to begin bringing in your donated items for the Scholarship Raffle!!!!

The Mid-Valley Arts League is an organization that not only provides opportunities to its members to become more accomplished artists, but it also supports young students who are interested in making a career in some field of art. It is because of your generous support that tis event takes place annually. We accomplish this by asking for donations from our members for our raffle that is held in June. Each year we request items such as original art, no larger than 1/2 sheet, matted and shrink wrapped, please. No glass - it's too hard to store and to carry. We also encourage miscellaneous donation of new art books or art supplies and other small art objects. For those of you that are still too shy about contributing a lovely painting, would you consider it for this year? Raffle tickets will be sold at our January meeting for \$1 each; 6 for \$5.00; or 12 for \$11.00. Please let Retha Wells know if you plan to contribute something, or have any questions.

If you would like to make a donation by mail, please sent your check made out to MVAL with a notation that it be earmarked for the Scholarship Fund. Send to: Alan Marriott, at 633 E. Palm Drive, Glendora, CA 91741. Thank you.

Retha Wells *Scholarship Chairman*
