May 31, June 1, & June 3, 2022

'Negative Painting Obsession' – Blossoms and Foliage

Discover how to start, build, and complete watercolor florals as you learn the essential skills of negative painting.

In this 3-day workshop, you will discover how to paint delicate blossoms and foliage. All it takes is a simple shift in the way you see! Linda will demonstrate and lead you step-by-step through the key exercises and tactics of working with this unconventional, inspiring approach.

Topics covered in this program include: interpreting your subject, negative painting strategies, simplified design, basic color concepts, and "seeing" for painting. You will learn how to reduce florals into simplified shapes, create purposeful underpaintings, and practice the glazing techniques used for layering negative shapes.

On the first day, we develop control by working on dry paper, in readiness for the thrill of building wet-into-wet layers on the second and third days. This is watercolour showing off!

Our time together will include video demonstration, hands-on painting time, and live discussion about how to apply negative painting

concepts to your favorite subjects and options for creative painting rescue. Once you learn the basics, you will see and paint the world in an exciting and different way.

This workshop is suitable for all levels, although some painting experience is recommended.

Think positive about negative painting!
