

Tom Francesconi Online Watercolor Workshop

December 5, 7, & 9, 2022

Painting Fresh and Expressive Watercolors

Emphasis of this workshop will be on creating stronger paintings through a better understanding of value relationships, color, and design. Tom will share his thoughts about these topics and how they can play a more meaningful role in our paintings. During the workshop, Tom will share specifics of how he creates loose, interpretive watercolors that entertain and delight the eyes. Painted examples will support the information being discussed. Tom endeavors to create a workshop atmosphere that is relaxed with a focus on exploration and discovery.

Subjects for this workshop may include a landscape, urban scene, water scene and the figure.

Each morning begins with a discussion about the day's topic, followed by a full demonstration where Tom always encourages lots of questions. Afternoons are reserved for student painting time during which Tom will be available for guidance and questions. Every day will end with a class critique.

Bring your smile.
